We use data to:

- Provide and operate the DomiClear platform
- Record and manage care delivery
- Support CQC compliance and audits
- Improve platform performance and security
- Communicate with users about the service
- Meet legal and regulatory obligations

Legal basis for processing

Under UK GDPR, we process data based on:

- Contractual necessity
- Legal obligations
- Legitimate interests
- Explicit consent (where required)

Data roles

- Care agencies are usually the Data Controller
- DomiClear acts as a Data Processor
- For individual users, DomiClear may act as a Data Controller

Data storage and security

- Data is hosted using Supabase and secure cloud infrastructure.
- Data is stored in the EU where configured, but some sub-processors may process data outside the UK/EU.
- We use encryption, access controls, and audit logs.
- Access is restricted to authorised users only.

Documents and file storage

Documents you upload are stored in cloud storage. They are accessed using unique URLs. These URLs can allow access to the file if shared. You should treat document links as confidential and only share them with authorised users.

Sharing data

We do not sell personal data.

We may share data only with:

- Hosting and infrastructure providers (e.g., Supabase)
- Payment providers (Stripe – we do not store card details)
- Error and performance monitoring providers (e.g., Sentry, if enabled)
- Email delivery providers (e.g., Resend, SendGrid, or Mailgun, if enabled)
- Push notification services (e.g., Expo, if enabled)
- Legal or regulatory authorities when required

Data retention

We retain data only as long as necessary for:

- Service provision
- Legal and regulatory compliance
- CQC and audit purposes

Your rights

You have the right to:

- Access your data
- Correct inaccurate data
- Request deletion
- Restrict processing
- Object to processing
- Data portability
